

***Pandemics in History*****Carol Symes**

COV-COURSE, 6 September 2020

Below is a list of the resources cited in my talk, or which I consulted while researching it. In addition, I recommend a recent [webinar](#) sponsored by the Medieval Academy of America and featuring scholars working at the cutting-edge of research on the Black Death. The MAA also maintains a [bibliography](#) of new publications, which is frequently updated.
